**When:** Monday, June 1st 2026

**Disconnect Time:** Monday, June 1st at 9:00 AM

**Reconnect Time:** Monday, June 1st at 1:00 PM

There will be a scheduled power outage to perform preventative maintenance work in your area on the dates and times listed above.

**To prepare:**

- Before the outage begins, turn off electric heaters, major appliances and unplug sensitive electronics to protect them from damage.
- If you rely on electric medical equipment or access doors, have a plan to maintain use
- Keep refrigerators/freezers shut to preserve refrigeration.
- During the power outage, elevators and garage doors will not operate.

**Why is this important?**

- Reduce nuisance power outages and costly repairs in the future.
- Reduces risk of personal injury by identifying major electrical issues.

**A few other things you should know.**

- This power outage could be cancelled, without notice, due to weather conditions or availability of crews during an emergency.
- The start & end times for the outage are estimates, so they may vary.

We apologize for the inconvenience.
