IMPORTANT NOTICE

BCS 2742 – COPPERSTONE

PARKADE MEMBRANE PROJECT

October 30th, 2026

Dear Owners, Tenants & Occupants,

The original membrane above the parkade has been removed and therefore water has entered below and may have affected vehicles in certain parking stalls.

Vehicle covers are being made available by Prostar to protect vehicles. If water is dripping at your stall email copperstonecaretaker@gmail.com to arrange pick up or delivery of a vehicle cover.

Please note that if the weather holds up next week, the new membrane on courtyard will be installed.

As a reminder, all personal items must be removed from parking stalls. Bylaw letters have been sent to offending strata lot owners and tenants.

Thank you for your attention and cooperation.

On behalf of your Strata Council.

James Jamieson, Senior Strata Manager
Quay Pacific Property Management Ltd.
On behalf of The Owners, Strata Plan BCS2742 Copperstone
